

**MEDIA RELEASE:**

WINDHOEK, 25 May 2021: TransNamib regrets to confirm that at approximately 10h00 this morning 9 fuel tankers derailed near Brakwater, causing heavy fires. The fire brigade managed to get the situation under control and extinguish the fire.

TransNamib would like to express our immense gratitude to the emergency services teams who assisted.

The cause of the derailment has not yet been established and TransNamib will be investigating the matter throughly.
